

**Start Your Town's First**

# INDIA'S FIRST ARCADE ZONE FOR KIDS AGED 3-13

Bringing big-city fun to your neighbourhood! Dive into a world of excitement with safe, tech-powered zones designed just for kids. From arcade classics to immersive VR, soft play to cozy cinemas - **JadooZ** is where imagination meets innovation.

## Full on dhamal

Age group  
3-13 years

An ensemble that brings together leisure, activity, learning and memorable experience, JadooZ is a destination for families to keep their kids immersed in fun and adventure!

- **Kids Cinema-** We offers an immersive movie experience with bright visuals and engaging content tailored for young audiences. Equipped with UHF headphones, children can enjoy clear, wireless audio without distractions. Active 3D glasses enhance the viewing experience, bringing movies to life with stunning depth and realism.
- **Softplay Area** - Safe and engaging space designed for children to explore, climb, and play freely. Built with a sturdy structure and high-quality materials, it ensures durability and long-term safety. The soft, cushioned surfaces and secure design provide a worry-free environment for kids to enjoy active fun.
- **VR and Gaming Zone** – Mix of virtual reality, PlayStation gaming, and interactive learning experiences. With futuristic neon lighting, it's designed for both fun and skill development. Step in, play, learn, and experience the thrill of next-level entertainment!
